## Graduate Style

Show your graduate how proud you are with words of encouragement and displaying their senior photo in a graduate style ad. Each ad shows off your student as an official graduate for all to see.

## Music Style

If your graduate has a passion for music, make it known. Music takes dedication, hard work and skill and graduates can be recognized for their diligence.

## Athletic Style

How many hours have you spent in the bleachers cheering on your graduate or simply watching them practice? Though its generic your student will love seeing how you see them - as a super star!
